Quad Villa in Play Flamenca

€269,000

5	2	N/A	N/A	✔

In Need of Internal Renovation.A fabulous opportunity to have a south facing 5 bedroom quad villa, close to the school and commercial center for shops and bars. The terrace is tilled around the villa with a fruit tree so low maintenance. The front terrace is glazed to enjoy the sun even in the winter months; the communal swimming pool is a short walk away with lovely, maintained gardens. The living room has air conditioning and ceiling fans which is open plan to the American style kitchen
