Rural Spain offers some of the best real estate in Europe, and we are pleased to present this absolutely stunning 8-bedroom (1,651 m²) property is no exception. Located in Jumilla, Murcia, the home borders a protected nature reserve with no immediate neighbours and views across more than 60,000 m² of privately owned estate, filled with mature olive and almond trees. Built in 2004, the home was designed with family in mind. It spans three floors, with lift access to each level and a
