Villa in Calpe

€495,000

3	2	200m²	10,000m²	✔

Want to build your dream home? You've come to the right place. We can build it on your own land, or if you don't yet have land, we can help: we have plots available in various locations.
At the end of this description, you'll find some of the locations where we currently offer land.
Here are the most important points regarding the construction of the house: Foundation:
It will be built using a continuous reinforced concrete footing.
