Finca in Sax

€239,995

4	1	170m²	14,386m²	N/A

I think this is an outstanding opportunity to get a foothold in the real Spain, inland Spain, but to be only 35 minutes from Alicante Airport and the beaches and at a truly great price.
The location of the property is fabulous and that is not cheap talk as I was a neighbour for almost 18 years, and this property is a little higher than mine and has even more breathtaking views and perfect tranquillity.
