Villa in Denia

€680,000

0	0	470m²	32,100m²	N/A

In the quiet area of Les Marines, Dénia, lies this true gem for those seeking a natural setting without sacrificing proximity to the sea. Surrounding a large plot of land, a country house stands with an already established structure and is currently undergoing an active renovation project. The current owner began the renovation, leaving it open-plan and ready for the new owner to design it to their liking, with the possibility of creating a completely personalized home or business.The property also
