Country House in Teulada

€980,000

2	1	328m²	21,442m²	N/A

In a quiet rural area of Teulada, this traditional terraced house stands, an ancient construction that preserves all the essence of the most authentic Mediterranean. The house sits on a large, flat plot, ideal for those seeking space, nature, and the freedom to transform the place into their own retreat.The two-story house breathes history in every corner. Its structure of natural stone, cane, and solid almond wood, clad with lime, preserves the rustic architecture of the area. On the ground floor,
