Country House in Jalon

€460,000

4	2	173m²	2,595m²	N/A

This substantial family home has changed greatly since I first saw it over 20 years ago. It has gone from being a pleasant, but ordinary Spanish home, to being a chic, modern property designed for easy living and comfort. It also now has a full AFO, meaning a mortgage is possible.The house sits within a plot of 2600m2, fully fenced and with wide entrance gates for easy access. It is flat land with a variety of established fruit trees and grape vines, with plenty of space to create a vegetable
