232m²

1,712m²

Located in the prestigious and secure Altea Hills residential area, this property stands out for its exceptional double plot, granting it a level of privacy and outdoor space rarely found in the area. The house is the result of a meticulous renovation that blends the solidity of traditional architecture with a modern Mediterranean-style interior design, where light and panoramic sea views take center stage. The main house is distributed over two floors optimized for maximum comfort. It features four
