182m²

3,641m²

This is a lovely country house that has been renovated whilst keeping a lot of the rustic features. The house sits on a large plot, you enter via electric gate into the plot and down a gravel driveway to the house. In front is the 8m x 4m swimming pool and the walled courtyard garden area of 70m². With a large 11m x 3m porch facing west, to make the most of the evening sun and sunsets, this covers the front of the house where you enter via the front door, into the living room of 63m² total,
