Villa in Javea

€895,000

4	3	249m²	1,425m²	✔

In the popular area of Montgó in Jávea is this attractive, south-facing villa with open panoramic views that reach to Gata de Gorgos, Jesús Pobre and the vast interior. Here you live in peace, with maximum privacy and sun all year round.
The property is distributed over two levels, which provides a pleasant separation between the main residence and an additional living area for guests or family.
