This finca, although under Monovar is in Chinorlet (near Pinoso) and with a magnificent view. The road to get there is a bit "rustic". The finca is at the end of a long private driveway. The house is +/- 110m² big. It is a finca which has been mainly used for weekends and holidays so there is some work to be done. The finca has a large covered terrace, a kitchen, a living / dining area with wood-burning cassette and air conditioning, 4 bedrooms and a large bathroom.
