Town House in Pinoso

€320,000

5	2	292m²	226m²	N/A

In the center of Pinoso is this spacious village house (adosado) with a garage and solar panels. The property has a built area of approximately 292 m² and is situated on a plot of 226 m². The front façade faces south, providing good natural light.
The house was originally built some time ago and has been renovated and modernized in phases since 2000, with one or more improvements carried out every few years.
