Built in 2022, this beautifully presented detached villa combines contemporary Mediterranean styling with spacious, easy single-level living in an excellent location within the popular town of Roldán. The entrance gates open onto a private driveway offering secure off-road parking, with 360-degree access around the property. Inside, the villa's bright and inviting open-plan layout provides a clearly defined kitchen, dining and lounge areas, creating a sociable yet practical space for both everyday
