Villa in Sax

€399,950

4	2	180m²	1,923m²	✔

We are very pleased to offer for sale this lovely, spacious and versatile property, currently arranged as a four-bedroom home but offering the potential to create up to seven bedrooms, depending on individual requirements. Several rooms are currently used for alternative purposes, including an office and a walk-through dressing room. However, the latter has its own access and could easily be converted into an additional bedroom, demonstrating the flexibility this property offers.
