Villa in Abanilla

€340,000

3	2	160m²	10,000m²	✔

Do you know the phenomenon of neo-ruralism? It is the migration movement of the current society towards less populated areas in search of free environments, quiet and with a lower level of pollution.
Zulum's Houses selects the most attractive places in Spain to develop urban projects that meet the new requirements that the new society needs. This project has the construction of 5 Family homes.
