Town House in Macisvenda

€69,500

3	1	N/A	N/A	N/A

Some properties are houses. Others are stories waiting to be continued. This 3-bedroom home in the centre of Macisvenda offers a genuinely rare opportunity to own a home that feels as though it has been frozen in time. Stepping through the door is like taking a journey back several decades, where original furnishings, vintage wallpapers, retro lighting and authentic period details have remained beautifully preserved, offering a fascinating glimpse into traditional Spanish village life.
