Villa in Calpe

€845,000

6	3	350m²	636m²	✔

This villa is located in a quiet area at walking distance from the centre of Calpe and offers beautiful views over the Calpe rock and the azure Mediterranean sea. The villa has recently been completely renovated and consists of three floors that are completely independent from each other. Each floor has a private entrance to the estate and a private entrance to the house. This combined with the fantastic location gives this villa huge rental potential with the possibility of living on one of the floors
