Villa in Murla

€499,000

5	4	177m²	800m²	✔

Tucked away on a quiet cul-de-sac, this charming South-facing, five-bedroom villa enjoys one of the most privileged positions in the area, with sweeping, unobstructed views across the Jalón and Orba valleys and a tantalising glimpse of the sea shimmering on the horizon.
Thanks to its south-facing orientation, both the villa and the swimming pool bask in sunshine from morning until evening every single day of the year.
